Pearl

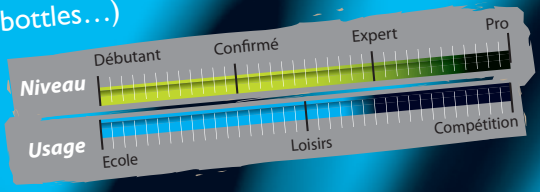

the pearl RAIDS AND ADVENTURES ON AN 18 foot BOAT

Intense sensations, while safeguarding the origins, a unique source of inspiration... The Pearl was imagined and conceived to offer immense pleasure to all, a unique opportunity to share the authentic emotions of raids and adventures on an 18 footer among friends.

The Hobie Cat Pearl equipment was designed to be practical, comfortable and accessible, with pivoting centreboards, a simplified rigging and the adoption of a gennaker furler system.

The ultimate finishing detail, the top of your hulls, entirely covered with a anti-skid material in the colours of your catamaran. This contributes to your comfort and your safety. The Pearl is equipped with two bulky storage areas which allow you to embark all that you need for a raid (sleeping bags, water bottles...)
